

ORIGIN Presents...

Mysteries of the Abyss™

The Complete Solutions to ULTIMA Underworld

Baron Almríc's archivist leads you through the cold, dark corridors of the Great Stygian Abyss in this comprehensive look at ORIGIN's ULTIMA Underworld. Providing hints and tips, walkthroughs, descriptions, and even some background from the arch-villain mage Tyball, you'll learn about every nook and cranny in the 25 miles of dungeon.

- Two-page maps of each level, including close-ups of the more intricate traps and pitfalls.
- Specific notes on the most malevolent features of the Abyss, gleefully penned by the infamous wizard Tyball, himself.
- 64 fully-illustrated pages — learn how the Abyss was transformed from a noble experiment to a breeding ground of evil intrigue.
- A concise but complete walkthrough of the entire adventure.
- Runestone locations, notes on combat and bartering, descriptions of the lizardman language, optimizing characters!

Two-page maps, walkthroughs, descriptions, background lore and detailed explanations to help you solve *ULTIMA Underworld*.

The latest in the best-selling series...

ULTIMA® VII The Black Gate™

Beginning the Third Trilogy in the award-winning Ultima series.

Lord British presents the first chapter in the third book of the award-winning Ultima saga. For the first time, ULTIMA VII The Black Gate combines the sword-and-sorcery elements of previous adventures with those of murder mysteries and horror thrillers. You'll need to master the arts of investigation and detection to solve the secret of The Black Gate.

- A feast of sound and music — digitized speech (requiring optional CMS Sound Blaster™ or compatible sound card) and a dynamic cinematic sound track!
- Traditional sword and sorcery interwoven with mystery and intrigue.
- Full-screen view — everything in Britannia is larger and more richly detailed.
- Totally mouse-driven interface — you can talk to characters without typing a single word!
- The largest Ultima yet — almost 20 megabytes of characters, towns, villages, magic, combat and objects.

Introducing an all new, full-screen view for the Ultima series, with an elegant keyboard-free mouse interface!
